

The Principal's Message

Preetha Abraham

Greetings!

New year is not always a new beginning, sometimes its just a new opportunity or another shot that life gives you to chase your dreams.

You should hope that in this year to come, you make new things, try achieving new goals ! In the process you will sure make mistakes. Don't get discouraged.

Don't give it up.

Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before, and more importantly, you're "Doing Something".

So that's my wish for you, and all out there , and my wish for myself too! Make New Mistakes...while doing new learning ..this gives you new experiences. Make glorious mistakesthey are stepping stones to greater achievements. Make amazing mistakes....they lead to fulfilling Whatever you're scared of doing, Do it.

Make your mistakes, next year and forever. Be a learner and doer every moment of your life. Nobody's perfect that's why pencils have erasers.

GCIS urges you to take a goal rather than a resolution and stick to it.

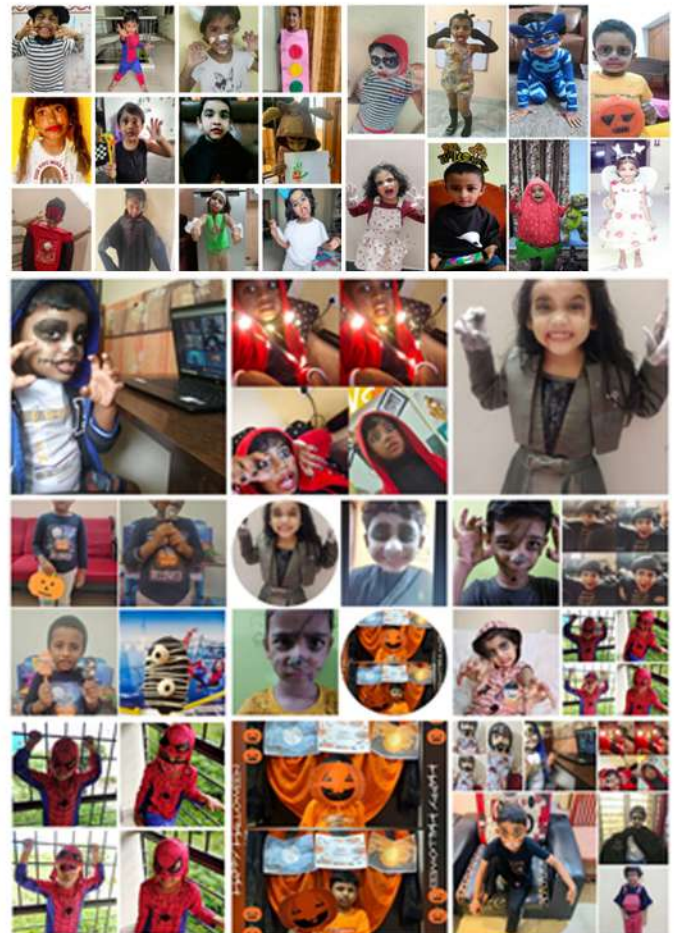

May you refine with years to come.....

Remember: "Mistakes help me grow"

Halloween 2021

Halloween Day celebration is observed in many countries on 31 October, the eve of the Western Christian feast of All Hallows' Day. At GCIS, we bring in concepts and celebrations, from around the world to help the students get exposure to all cultures and traditions. It was a fun filled and exciting day, with bubbling enthusiasm and excellent participation from students across Kindergarten

Wonderful Creations

Wonderful Creatures, a class activity: The concept of "Wonderful Creatures" around us was introduced, wherein the students cheerfully made Origami Cat and Fish. Origami/Paper folding is an art, which brings out the creativity in the minds and also develops the fine motor skills.

Diwali Dhamaka - 2021

Diwali, The Festival of Lights, is a festival which is one of the most looked forward to in India. Sparkle, Fun, Sharing, Caring, Joy and Laughter, Lights in the sky light up the cheer in our hearts.

Although the pandemic has slowed down the pace of life around us, we still find little ways to spread the cheer around. Diwali Dhamaka – an In-House competition day was organised and the students participated well.

Road Safety

ROAD SAFETY Day was observed by the students of GCIS in the month of November 2021. This day is dedicated to create awareness among the students on the various aspects of Road Safety, which need to be instilled in them for a life time. As it is always said, "It is better to be SAFE than SORRY!"

Post Pandemic Schooling

We at GCIS believe that “Together may we give our Children the roots to grow and the wings to fly”. With the whole world slowly getting back on its feet, GCIS also started the off-line / in-person schooling in a very phased manner. All required measures were put in place to ensure that the students are safe. It was indeed wonderful to have our beloved students back at school. After so many months of being confined to their homes, the students were delighted and thrilled to be back to school.

X-Mas X-Citement

Cakes, Cookies, Carolling, Christmas Tree, Santa, Decorations, Gifts, Get-togethers.. and the list goes on. Keeping the Covid restrictions in mind, we at GICS had a beautiful Christmas celebration; X-Mas X-Citement, on the 11th of December 2021, in which Students and their Families were able to take part in various fun filled activities like, Christmas Themed Fancy dress by tiny tots of Kindergarten, Frozen Olaf – making of Snowman, Carolling with family members, Winter Wonderland – Snow Globe making, Bakers Pride – Cake decoration, Mistletoe Magic – Wreath making and so on. It was indeed an eventful day, with loads of fun, laughter and cheer!
