GCIS JOURNAL

MONTHLY EDITION | JULY 2026

FROM PRINCIPAL'S DESK

Dear Parents,

July 2026 – A Month of Learning, Wellness and Community

July at our school was a vibrant blend of academic rigour, creativity, experiential learning, wellness and meaningful community engagement.

The month opened with Inter-House Competitions, including Quiz, Fruit Carving and Cricket, followed by a No-Bag Day for Classes III–VIII and a Talent Show for LKG and UKG. Our students also showcased their learning through the Term I PBL Display. The FA/PA/Unit Tests were conducted during the month, culminating in the publication of results. KG students participated enthusiastically in activities such as “I, Me, Myself,” “Home Sweet Home,” “Vivid Splendour” Colouring Competition and Fun Games, while club activities further enriched the learning experience. A special focus was placed on health and well-being, with health check-ups conducted progressively from KG through Class XII. The young learners also enjoyed thoughtfully planned field trips—UKG and LKG field trips and the Pre-KG “Joy Ride”. Strengthening our partnership with families was another highlight. A friendly football match between parents and students on 18 July fostered camaraderie and team spirit. As part of our Parent Community Reach initiative, a lively Dance Fitness Session for parents and staff was conducted on 25 July, promoting wellness and togetherness.

The month concluded with the Term I Parent Interactive Meeting (PIM), reinforcing our shared commitment to every child’s growth and success. July reminded us that education flourishes when learning, wellbeing, participation and community come together.

WARM REGARDS,
MRS. VIDYA LOUIS
PRINCIPAL

ALL INDIA COMPETITION

1st of July, 2026

GCIS proudly hosted the All India Drawing, Handwriting and Essay Writing Competition organized by the All India Moral Citizens Development Centre for students from Kindergarten to Grade 10, providing them with an excellent platform to showcase their creativity, language skills, and artistic talents. The event

witnessed active participation from young learners, who displayed remarkable enthusiasm and confidence in every category. The drawing competition encouraged students to express their imagination through colourful illustrations and innovative ideas. The handwriting competition emphasized neatness, legibility, and proper letter formation, while the essay writing competition inspired students to organize their thoughts, develop their writing skills, and communicate their ideas effectively. Every participant approached the competition with dedication and a positive spirit, making the event both enjoyable and meaningful. Conducted in a motivating and

encouraging atmosphere, the competition aimed to nurture creativity, improve fine motor and communication skills, and build self-confidence among children. It also promoted healthy competition and inspired students to strive for excellence while appreciating the talents of their peers.

TALENT SHOW

3rd July, 2026

The Kindergarten Department of Greenfield School International Campus (GCIS) proudly organized a Talent Show on 03 July 2026, providing our little learners with a wonderful platform to showcase their unique abilities and talents. The event was filled with excitement, confidence, and joyful performances. The children enthusiastically participated in a variety of performances, including dance, singing, acting, and other creative presentations. Each child displayed remarkable confidence, imagination, and enthusiasm while performing in front of their teachers and friends. Their performances reflected not only their individual talents but also the encouragement and support they receive from their parents and teachers.

The Talent Show aimed to nurture children's self-confidence, creativity, communication skills, and stage presence. It also encouraged them to express themselves freely while appreciating the talents of their peers. Every performance was greeted with cheerful applause, making the event a memorable experience for everyone. The programme concluded on a happy note, with smiling faces and proud moments that will be cherished by all. The KG Talent Show truly celebrated the spirit of learning, creativity, and the unique potential of every child.

Project-Based Learning

4th July 2026

Project-Based Learning display on 4th July 2026 for students of Grades 3 to 8. The event was organized under the theme Skill Up India, with the objective of connecting academic learning to real-world skills and future readiness. Students across grades presented their understanding through well-designed charts and working models. Each exhibit reflected thoughtful research, artistic presentation, and a clear link between the chosen topic and the theme of skill development.

The displays highlighted a range of concepts, including innovation, sustainability, communication, problem-solving, and citizenship. Students explained their projects with clarity and confidence, demonstrating both subject knowledge and application skills. The display was attended by parents, who expressed great appreciation for the event. They commended the students' creativity, articulation, and ability to relate classroom concepts to practical skills. The positive feedback underscored the impact of experiential learning in building confidence and holistic development.

The PBL served as a meaningful platform for students to exhibit talent, collaborate, and communicate ideas effectively. It reinforced the school's commitment to fostering 21st-century skills and nurturing responsible, future-ready learners.

ASSESSMENTS

08/07/2026 - 16/07/2026

GCIS successfully conducted the Diagnostic Assessment for Grades 1 and 2 from 8 July 2026 to 16 July 2026 and the Formative Assessment-1 (FA1) for Grades 3 to 12. The FA1 examinations were held from 8 July 2026 to 14 July 2026 for Grades 3 to 5 and from 8 July 2026 to 16 July 2026 for Grades 6 to 12.

The Examination Department meticulously planned and coordinated the entire assessment process to ensure its smooth execution. Invigilation duties were allocated systematically, examination schedules were communicated well in advance and all necessary arrangements were made to maintain a fair, disciplined and organized examination environment. Teachers carried out their invigilation responsibilities diligently, ensuring that the assessments were conducted with integrity and transparency.

The assessments provided students with an opportunity to demonstrate their understanding, reinforce their learning and build confidence in their academic progress. The examination process was completed successfully through the collective efforts of the Examination Department, school leadership, teaching staff, students and the continued support of parents.

I, ME, MYSELF

10th July 2026

The Kindergarten Department of Greenfield School International Campus (GCIS) conducted the "I, Me, Myself" activity on 10 July 2026 to encourage children to introduce themselves confidently and enhance their communication skills. During the activity, the children came forward one by one and

spoke about themselves. They introduced their names, shared the names of their family members, talked about their favourite things, and expressed their likes and interests with confidence before their classmates and teachers. The activity provided every child with an opportunity to develop self-confidence, communication skills, self-expression, and stage confidence in a comfortable classroom environment. It also encouraged active listening and helped the children learn more about one another. The enthusiastic participation of the

students made the session lively, interactive, and enjoyable. Every child expressed themselves confidently, making the activity a meaningful and memorable learning experience. The programme concluded successfully with smiling faces and growing confidence, making "I, Me, Myself" a wonderful celebration of every child's unique identity and personality..

Intro

Guinness World Record Keyboard Ensemble

13th of July, 2026

On 1 May, 2026 the students of Greenfield Chennai International School (GCIS) proudly participated in the Stop Child Labour/ Guinness World Record Keyboard Ensemble, an event organized to raise awareness about the importance of eradicating child labour and ensuring every child has access to

education. The event was conducted by Kalaimamani Mr. Martian in collaboration with the Government of Tamil Nadu Department of Art and Culture. A total of 888 keyboard players from across Tamil Nadu performed together, in one place delivering the powerful message, "Stop Child Labour – Let Every Child Learn and Dream." Our students from Greenfield Chennai International School (GCIS) displayed exceptional musical talent, discipline, dedication, and teamwork throughout the performance. Their participation played a significant role in successfully achieving a Guinness World Record, for the school as well as individual bringing great pride and honours to Greenfield International School.

The event provided students with an opportunity not only to showcase their musical excellence but also to understand the importance of social responsibility and using their talents to support a meaningful cause. Their enthusiastic participation reflected the school's commitment to nurturing compassionate, talented, and socially responsible citizens. On 13th July, 2026

Greenfield International School congratulated and appreciated all the participants, music teachers, parents, and organizers for their unwavering support and dedication. This remarkable achievement will remain a memorable milestone in the school and an inspiration for future generations.

MY SWEET HOME

16th of July, 2026

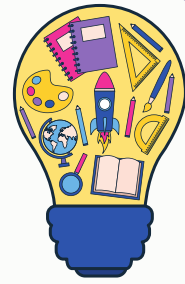

The Kindergarten Department of Greenfield School International Campus (GCIS) conducted the “My Sweet Home” Craft Activity on 16 July 2026. The activity provided Pre-KG, LKG, and UKG students with an engaging opportunity to explore creativity while understanding the concept of home. The Pre-KG and LKG students created simple house crafts using basic shapes such as a square for the house, a triangle for the roof, and a door. This hands on activity helped them recognise shapes while developing their creativity, fine motor skills, and hand-eye coordination. The UKG students also designed house crafts and further enhanced them by pasting basic cut-out shapes representing the family members living in the house. They labelled the family members inside their house, making the activity meaningful, interactive, and enjoyable. The activity encouraged creativity, shape recognition, imagination, and artistic expression among all the Kindergarten students. Every child participated with great enthusiasm, and the colourful creations reflected their learning, effort, and creativity. The event concluded successfully with beautiful craft displays, making “My Sweet Home” a memorable learning experience for the Pre-KG, LKG, and UKG students.

EXPLORE & EXCEL

17th & 20th of July, 2026

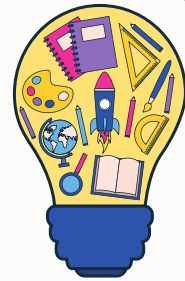

On 17 July 2026 and 20 th July, the Grade XI & XII students of our school visited Hatsun Agro Product Limited (HAP), Red Hills respectively, as part of an educational field trip. The visit aimed to provide students with practical exposure to modern dairy and food manufacturing processes and to help them understand the importance of quality control, hygiene, automation, and industrial production. The visit began with an introduction to the company's operations and its role as one of India's leading private dairy companies. Hatsun Agro Products Limited manufactures well-known brands such as Aroky Milk, Hatsun Curd, Arun Icecreams, and Ibaco Ice Creams. The company procures nearly 39 lakh litres of milk every day through an extensive network of farmers and processes them in its state-of-the-art manufacturing facilities.

During the factory tour, students observed the different stages involved in dairy processing. They visited the butter production section, where they learned about the manufacturing process and the strict hygiene standards followed throughout production. The students also visited the skimmed milk powder unit, where they understood how excess milk is processed into milk powder using advanced drying technology for longer storage and distribution. One of the most exciting parts of the visit was the Ibaco Ice Cream manufacturing unit. The students witnessed how various ice cream flavours are prepared, mixed, pasteurized, homogenized, frozen, and packed using fully automated machinery. They also observed the network of stainless-steel pipelines used to transport the ingredients safely and hygienically throughout the production process.

EXPLORE & EXCEL

17th & 20th of July, 2026

The group then visited the ice cream cone manufacturing section, where they watched cone batter being baked into its characteristic shape, cooled, and prepared for packaging before being combined with the ice cream products.

The automated production line showcased the efficiency and precision of modern food manufacturing technology. Throughout the visit, the company officials explained the importance of maintaining quality standards, food safety, cleanliness, and quality testing at every stage of production. The students gained valuable insights into industrial automation, quality assurance, and the large-scale production of dairy products.

At the end of the visit, the students were treated to complimentary Arun cone ice creams and were presented with a gift hamper as a token of appreciation. The visit concluded with a group photograph at Hatsun Agro Product Limited Overall, the field trip was highly educational and enjoyable. It successfully connected classroom learning with real-world industrial practices, helping students understand the functioning of a modern dairy manufacturing plant while inspiring them to appreciate the role of technology, quality, and teamwork in the food processing industry.

CLUB ACTIVITY

18th of July, 2026

GCIS buzzed with energy and creativity on 18th July 2026 as students from Grades 3 to 8 came together for exciting Club Activities. Checkmate Champions hosted a fast-paced Chess Board Set-Up Race that tested focus and memory. Math Club engaged students with TANGRAM puzzles, turning shapes into creative problem-solving. Toastmasters Club had everyone laughing with a Movie Dub activity that boosted voice modulation and confidence. Tourism Club took students on a Virtual

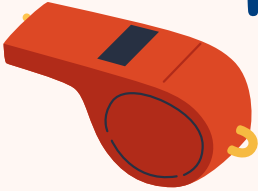

Heritage Tour of India's iconic monuments, sparking curiosity about culture. MUN Club conducted an MUN Quiz sharpening awareness of global issues and diplomacy. Brush Masters explored art with Watercolour and Oil Pastel techniques to create vibrant landscapes. Percussion Club practiced learning new notes and rhythms, filling the corridors with music. Recycling and Upscaling Club ran the Trash to Treasure Challenge where students transformed waste into useful decor.

The day celebrated talent, teamwork, and innovation across grades. Students learned new skills while having fun, making Club Activity Day a true showcase of GCIS spirit.

Parents Vs Students Match

18th of July, 2026

The much-awaited friendly football match between Parents and Students was held on 18.7.26 evening at GCIS with great enthusiasm and spirit.

The event began with a warm welcome to all spectators, teachers, parents, and students. The respected dignitaries, Director, CEO, and Principal, graced the occasion with their presence. The proceedings started with an introductory address highlighting the importance of sportsmanship, teamwork, and bonding between parents and students. This was followed by the coin toss conducted by the referee to decide the sides and kick-off. Both teams gathered at the center, full of energy and anticipation. To officially mark the beginning of the match, we had the honour of a ceremonial kick-off by Director, CEO, and Principal. Their participation set the tone for an evening of fun, unity, and healthy competition. The match itself was exciting and closely contested. Students displayed speed and agility, while Parents showed experience and strategy. There were great passes, strong tackles, and loud cheers from the spectators throughout. Both teams played with true sportsmanship and mutual respect. The evening concluded with applause for all players and dignitaries. The Parents vs Students match successfully strengthened the bond between the school community and made the evening truly memorable.

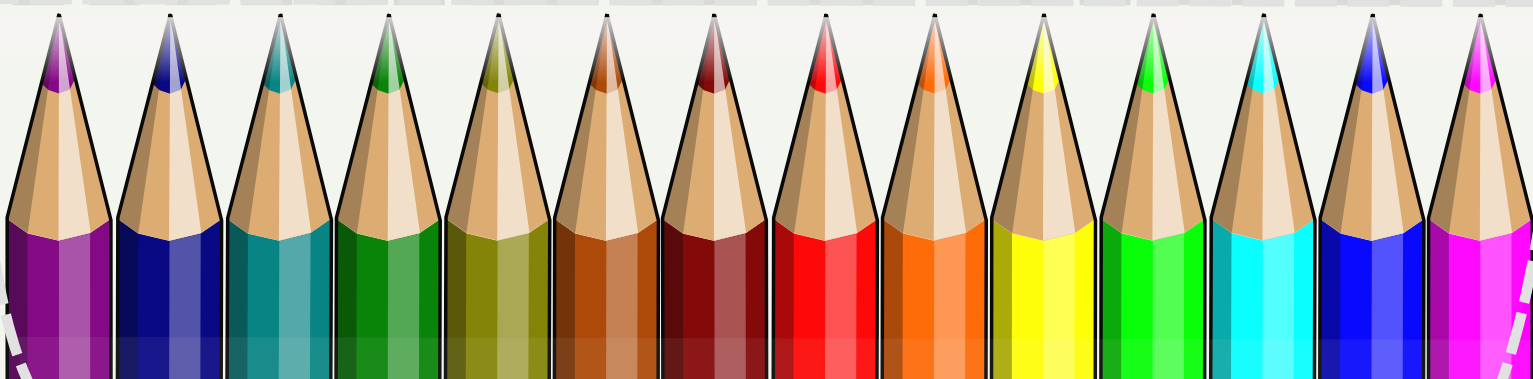

VIVID SPLENDOUR

24th of July, 2026

The Kindergarten Department of Greenfield School International Campus (GCIS) successfully conducted the “Vivid Splendour” Colouring Competition on 24 July 2026. The competition was based on the theme of ocean and aquarium life, providing children with an exciting opportunity to showcase their creativity and colouring skills.

The competition was organised according to the students' grade levels. The Pre-KG children coloured a Starfish picture, the LKG students coloured a Nemo picture, and the UKG students coloured a Mermaid picture. Every child participated with great enthusiasm and expressed their creativity through beautiful colour combinations. The young learners were eager to take part in the competition and coloured their pictures with care, patience, and neatness. Many students displayed excellent colouring skills and artistic expression, making their artwork vibrant and attractive. After the competition, the colouring sheets were exchanged among the respective class teachers for evaluation and correction. The activity helped develop creativity, concentration, fine motor skills, colour recognition, and self-confidence while making learning enjoyable. The event concluded successfully with joyful participation from all the children. “Vivid Splendour” was a wonderful celebration of imagination, creativity, and artistic talent, creating a memorable learning experience for every participant.

SPOTLIGHT ON!

24th of July, 2026

GCIS hosted the Inter-House Skit Competition for Grades VI-XII on 24th July 2026. The theme, "Logged In, Tuned Out," encouraged students to explore how constant digital connection often leads to real-world disconnection. Each house- Castor, Vega, Sirius and Polaris presented an 8-minute skit filled with humor, drama, and a strong social message about empathy, mindfulness, and human relationships. Performances were evaluated on Theme & Message, Synchronization, Acting & Facial Expressions, Creativity & Originality, Team Coordination and Overall Presentation. The competition was energetic and thought-provoking. Students not only entertained but also reminded everyone to balance screens with real-life interactions. The event concluded with great enthusiasm and applause from students and teachers.

CARVE & CRAVE

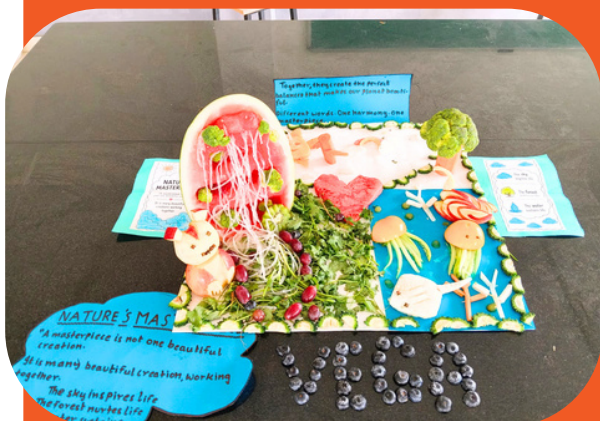

24th of July, 2026

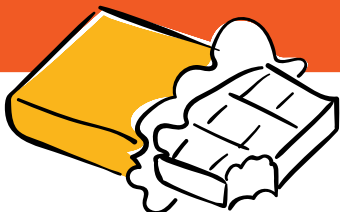

Greenfield Chennai International School successfully conducted the Inter-House Fruit & Vegetable Carving Competition for students of Grades VI-XII on 24th July 2026. Centered around the theme "Nature's Masterpiece," the event provided students with an opportunity to showcase their creativity, artistic skills and precision through the intricate art of fruit and vegetable carving. Students from all four houses –Castor, Polaris, Vega and Sirius–participated enthusiastically, presenting unique and visually captivating displays that reflected their creativity, teamwork and interpretation of the theme.

The vibrant competition fostered healthy team spirit and artistic excellence. Participants impressed the judges with their innovative designs, technical expertise and beautifully coordinated displays while maintaining hygiene and safety throughout the competition. The entries were evaluated by the esteemed judges, Ms. Malathy, Ms. Nandini and Ms. Lakshaya, whose expertise and encouragement added great value to the event.

The competition encouraged imagination, teamwork and appreciation for artistic expression using natural materials. It concluded on a high note, celebrating the remarkable talent and creativity of the participants and making it a memorable learning experience for all.

WELLNESS CHECK

24th of July, 2026

As part of its commitment to promoting the health and well-being of its students, GCIS organized an Annual Medical Health Check-up for students from Pre-KG to Grade 12 in association with Prashanth Hospital.

A team of experienced doctors, pediatricians, dentists, ophthalmologists, and healthcare professionals conducted comprehensive health screenings. The check-up included assessments of height, weight, vision, dental health, and general physical health, along with other age-appropriate examinations.

The initiative aimed to identify any health concerns at an early stage and provide timely recommendations to parents for further medical care, where necessary. The health camp was carried out in a safe, well-organized, and student-friendly environment, ensuring that every child felt comfortable throughout the process. The medical team also educated students on the importance of personal hygiene, balanced nutrition, regular physical activity, and healthy lifestyle habits. GCIS extends its heartfelt gratitude to Prashanth

Hospital for their invaluable support, professional expertise, and dedicated service in making this health initiative a success. Such preventive healthcare programs play a significant role in nurturing the overall health and well-being of students, helping them thrive both academically and personally.

DANCE FITNESS SESSION

25th of July, 2026

Greenfield Chennai International School came alive with energy, rhythm, and joy as we hosted a special Dance Fitness Session on 25th July 2026, centered around the theme “Let’s make fitness the fun way”. The event was graced by the presence of our esteemed dignitaries: Ms. Leema Jacob, Director – GCIS, Ms. Aleyamma Mathew, CEO,

Principal Ms. Vidya Louis, Vice Principals Mr. Ulagannal and Ms. Jasmine James, Coordinators, Teachers, and around 150 enthusiastic Parents. Their participation truly motivated our students and set a vibrant tone for the evening. Ms. Anjana is a Dance Fitness Expert, Certified Zumba & Dance Fitness Trainer, and Motivator. She is also an MBA Graduate and Bharathanatyam exponent with over 10 years of experience in the classical art form. With 7+ years of experience conducting sessions for schools, corporates, hospitals, and cultural events, Ms. Anjana brought with her expertise, energy, and a passion for making wellness enjoyable.

The highlight of the evening was an electrifying session where students, teachers, and parents moved together to the beats of 10 dynamic songs. The atmosphere was filled with enjoyment, laughter, and team spirit as everyone participated with great enthusiasm. The session successfully blended fitness with fun, promoting confidence, coordination, and a healthy lifestyle. To add to the excitement, a lucky draw was conducted and prizes were distributed to the winners, which made the event even more memorable. The Dance Fitness Session was a grand success and left everyone energized and inspired. It was a beautiful reminder that fitness can indeed be the fun way.

LITTLE FEET, BIG ADVENTURES

27th - 29th of July, 2026

The Kindergarten Department of Greenfield School International Campus (GCIS) organised an educational field trip for the KG students from 27 July 2026 to 29 July 2026. The visits were planned to provide meaningful real-life learning experiences beyond the classroom.

On 27 July 2026, the UKG students visited the Fire Station at Madhavaram Milk Colony. They observed the fire engines, safety equipment, and learned about the important role of firefighters in protecting the community. The students enjoyed interacting with the officials, making the visit both educational and memorable. On 28 July 2026, the LKG students visited the nearby Reliance Supermarket. They observed fruits, groceries, rice, dry fruits, school bags, water bottles, and other everyday essentials. The children learned about different products found in a supermarket and enjoyed exploring the various sections. At the end of the visit, they were delighted to receive chocolates, making the experience even more special. On 29 July 2026, the Pre-KG students enjoyed

a joyful ride in the school bus. The route passed familiar landmarks including the Railway Museum area, Padi, and Saravana Stores. The children happily observed their surroundings and enjoyed travelling together with their friends. The field trip encouraged observation, curiosity, confidence, and social interaction while connecting classroom learning with real-life experiences. Every destination offered valuable learning opportunities, and the children returned with cheerful smiles and unforgettable memories.

BEYOND THE CLASSROOM

28/07/2026 - 30/07/2026

As part of the academic enrichment programme, students of Grade X and Grade IX visited Nivin Leathers, Madhavaram on 28th, 29th and 30th July 2026 respectively. The objective of the visit was to provide students with practical exposure to leather processing and garment manufacturing.

During the tour, students observed the complete production cycle of leather garments. They witnessed key stages such as leather grading, dyeing, polishing, pattern making, automatic cutting, stitching, quality inspection, and final finishing of leather jackets. The visit also gave them insight into the functioning of modern machinery and technology used in large-scale manufacturing. Students learned about the different types of leather, the importance of quality control, precision in pattern making, and various finishing techniques. They also gained an understanding of teamwork on the shop floor and the basics of export procedures in the leather industry.

The industrial visit effectively bridged the gap between classroom concepts and real-world application. It was an informative and engaging experience that deepened the students' understanding of the leather manufacturing sector and inspired appreciation for skilled craftsmanship and industrial processes.

INTER-SCHOOL CRICKET TOURNAMENT REPORT

7th to 24th July, 2026

GCIS successfully organized an Inter-School Cricket Tournament in the month of July from 7.7.26 to 24.7.26 to promote sportsmanship, teamwork, and healthy competition among students. The tournament was conducted across three categories for classes VI -XII

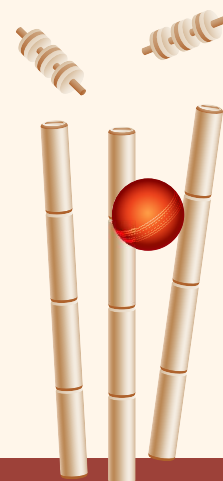

Each match was played for 6 overs per side. To encourage equal participation and inclusivity, every team comprised 9 players with a mandatory inclusion of at least 3 girls. This unique format was well appreciated by students, parents, and staff. Throughout the tournament, students displayed remarkable team spirit, discipline, and enthusiasm. The matches were highly competitive and kept both players and spectators engaged till the last ball. The spirit of fair play and camaraderie was evident in every game.

The event concluded with Polaris House, Vega House and Sirius House winning the VI-VII, VIII-IX and X-XII level respectively. The tournament not only showcased sporting talent but also reinforced GCIS's commitment to holistic development through sports.

CBSE SOUTH ZONE CRICKET CHAMPIONSHIP

29th of July, 2026

Greenfield Chennai International School proudly participated in the CBSE South Zone Cricket Championship 2026, from 29/07/2026 to 06/08/2026 hosted by Kalvi International Public School, Madurai. The prestigious championship witnessed enthusiastic participation from 650 schools and nearly 4,500 students representing the three South Zone states of Tamil Nadu, Andhra Pradesh, and Telangana. The tournament provided an excellent platform for young cricketers to showcase their talent, determination, and sportsmanship.

Greenfield Chennai International School teamed with 3 students Under-14 Boys and 4 students Under-17 Boys categories. The students displayed exceptional teamwork, discipline, and competitive spirit throughout the tournament.

It was a proud moment when

- i. K. Sanjith – Bronze Medal with a remarkable 2 wickets
- ii. Arnav Kumar Mehta – Silver Medal

These remarkable accomplishments are a testament to the hard work and dedication of our players, the committed guidance of the coaching staff, and the continuous support of the school management and parents.

PARENT INTERACTIVE MEETING

31st July and 1st August 2026

A Parent Interactive Meeting for Grades Pre KG to XII was conducted at Greenfield Chennai International School on 31st July and 1st August 2026. Parents attended the meeting along with their wards. The meeting aimed to strengthen the partnership between school and home for the holistic development of students.

Class teachers and coordinators interacted with parents individually to discuss key aspects of each student's progress. Teachers shared details on students' performance in assessments, areas of strength, and areas needing improvement. Strategies for better learning outcomes and effective study habits were also suggested. Observations regarding classroom conduct, peer interaction, and attitude were discussed with parents to ensure consistent guidance at school and home. The importance of punctuality, regular

attendance, uniform, and adherence to school rules was emphasized. Parents were briefed on academic expectations for the term, co-curricular participation, and the school's focus on values and life skills. Parents actively participated and shared their feedback and suggestions. The meeting concluded on a positive note with mutual understanding and commitment to support the students. The interactive sessions were well-received and helped in aligning school and parental efforts for the benefit of the students.

YOUNG ENTREPRENEURS IN ACTION

31 July - 1 August, 2026

On 31st July and 1st August, 2026 GCIS lobby turned into stalls aiming at developing the entrepreneurship skills of the students. There were variety of stalls displaying food items and handmade items. The parents enjoyed browsing through the different stalls and appreciated the wide range of products available. Throughout the day there was a good response with the sales having escalated beyond the expectation.

Students turned entrepreneurs demonstrated important qualities such as responsibility, leadership adaptability and team work. The event allowed students to experience the challenges and rewards of managing a small enterprise while working towards a common goal. This initiative of laying stalls provided students with meaningful practical knowledge beyond the classroom. Through their involvement, students developed essential skills like financial responsibility, communication, sales management and customer service etc.,

Overall, the event achieved its purpose of fostering entrepreneurial skills, encouraging innovation and providing students with valuable life skills that will benefit them in their future endeavours and even more such opportunities.

STUDENTS' CORNER

MY MOTHER

Your smile shines so bright
A truly wonderful sight

You make my day, it's true
My favourite and lovely person is YOU

When you are near, the world feels bright
You fill my day with so much light
A smile from you, a happy sound

You're the best person I've found around
My heart beats faster when you are near

You make the clouds disappear
Just wanted you to know it's true
I think my whole world is YOU
